

Here's Why YOU Won't Want To Wait To Call:

## VARIETY, FUN & SELECTION

These three reasons are why more Cache Valley seniors choose Mackley Designer Portraiture than anyone else.

**VARIETY** means having senior photos that are unique. It also means getting pictures that don't look like YOUR friends'. So YOUR portraits end up being a reflection of YOU & YOUR personality YOU won't be just another face in the crowd!

**FUN** means a portrait session YOU'll actually enjoy. It's casual, comfortable, relaxed & exciting. Bring a parent or friend along to watch and help in the camera room. Bring YOUR music. If YOU have fun, YOU'LL look great!

**SELECTION** means being able to get exactly what YOU want with twenty-one different packages to fit every need and every budget. There's no high-pressure sales tactics and YOUR portraits are guaranteed to be what YOU expect them to be or we'll do them again at no charge.

**But...there's a problem.** The appointment times are filling FAST. And while YOU think it might still be early, it's not. In fact, it's not unusual for us to be booked solid from two to eight weeks in advance. So YOU'LL want to call right now, even if YOU want YOUR session later in the summer or fall. Remember, if YOU wait, YOU may not be able to get the appointment time YOU want. Call today, we look forward to hearing from YOU!
